

SEDAN **RAPID ACCESS** **WEAPON LOCKER**

- ⊕ Sedan locker dimensions are 38" wide x 7" tall x 15" deep
- ⊕ Estes AWS Rapid Access Weapon Lockers open automatically, by wireless remote or hidden push button. Units come with a manual key override in case of dead battery or lost remote
- ⊕ Lockers can be designed with Velcro straps or foam to secure weapons and keep them from moving
- ⊕ The universal design can fit into any standard police vehicle
- ⊕ Locker can comfortably secure two weapons with plenty of extra storage space
- ⊕ Lockers are made of 14 gauge galvanized steel, making them secure and tamper proof
- ⊕ Sedan Lockers are mounted to the roof of the trunk in the vehicle, keeping weapons out of sight while also leaving plenty of room for cargo in the trunk and allowing access to the spare tire
- ⊕ All units come with a manual key override in case of a dead battery or lost remote
- ⊕ For convenience, lockers are designed so they can be moved from a Sedan to SUV by purchasing the enclosure and installation kit
